

Ivan Ivanov

"It was good organized event and we could meet interesting people. We hope that we find opportunities in cooperation with your organization four our software solution so that we together bring electricity and water/heat supply companies to the next level."

Anna von den Hadelkamp

"Small conference but good organized. Lectures really interesting."

Paris Petrovski

"I want to congratulate and thank for fantastic job you have done earlier this week in Belgrade. The organization of the RENEXPO water management conference end EXPO was perfect insightful and inspiring. The seminars were interesting, contacts promising and staff professional. I am looking forward to see you again, enjoy your company and discus details of aspects of our future cooperation. I wish you professional success, health and happiness."

Majda Adlešić

"The quality of organization and organizational work were great! Starting from communications, materials to competence. Working conditions are excellent. A significant corpus of information and presentations"

Dr Heike Burghard

"Very nice place, good organization, excellent contacts. We will continue with cooperation!"

Andreas Koch

"Perfect organization! Good location, interesting conferences and topics. Excellent care."

Saad Anis

"Very good organization . A lot of information and important meetings."
