GASTECH – A TRUSTED BRAND FOR OVER 45 YEARS

For over 45 years, the Gastech exhibition and conference has been at the forefront of the international gas, LNG and energy industries. This world renowned event is regarded as the most significant meeting place for upstream, midstream and downstream gas and LNG professionals, where they convene to do business.

Gastech has fast become a next generation energy event, hosting major NOCs, IOCs, integrated energy companies, E&P companies, service companies, global utilities, EPC contractors, shipbuilders, pipeline companies, manufacturers, technology providers, and service companies, who all play an active role in the global energy value chain.
