"I had been talking with the clients all the morning so that I got a little hoarse. It indeed provided an opportunity of exposure for all manufactures, suppliers and the end-users. cippe has been a window to better understand China energy for the world."

Michael

General manager
Tiger Valve Company

"It was becoming more and more influential and attracting more exhibitors and visitors from all over the world. Furthermore, cippe played an important role in promoting the upgrading and standardization of petroleum equipment industry."

Overview of cippe

China International Petroleum and Petrochemical Technology and Equipment Exhibition (cippe) has been held successfully for 19 years. Consisting of eight main zones, including petroleum & petrochemical equipment, shale gas, offshore oil and gas, marine equipment, natural gas, pipeline & storage and transportation, explosion-proof electric equipment and oil-field soil remediation, cippe has been the leading exhibition covering the whole industry chain of petroleum and petrochemical.

Based on the main zones, cippe further subdivided and expanded the scope to the related fields, such as, intelligent oil field and communication devices, pump & valve, fire fighting, safety protection, new materials and oil-field environmental protection.

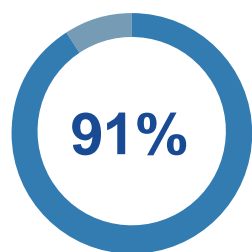

Key Exhibitors

cippe2019 attracted numbers of international famous companies to take part in, including Chevron, NOV, CAMERON, CATEPILLAR, MTU, Emerson, Rockwell Automation, FORUM ENERGY, E+H, Allison Transmission, ARIEL, Atlas Copco, Ingersoll-Rand, AkzoNobel, Hempel, Eaton, Dover, Huisman Equipment, API, FMC, Volvo, Aksa and HIMOINSA, etc.

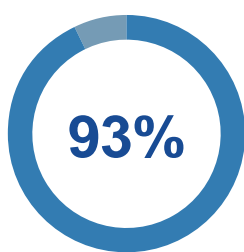

Moreover, numerous domestic leading enterprises, including, CNPC Pavilion, Sinopec Group, CNOOC, CSIC, CCS, CASC, HONGHUA GROUP, JEREH, KERUI GROUP, Zhongman Petroleum, SANY Group, Panjin Liaohe Oilfield, HBP, JERRYWON, ANTON Oil, Shanghai SHENKAI, Shenyang Blower Works Group, LS GROUP, TEIHU PETROLEUM MACHINERY, WESTERN PETRO, JS, HAIMO, GANERGY HEAVY INDUSTRY GROUP, SOLIDS CONTROL, PETROKH, RUSHI MACHINERY, DOUSON GROUP, Brightway, LILIN, Neway Valve, OCEAN'S KING LIGHTING, WAROM and so on have also exhibited.

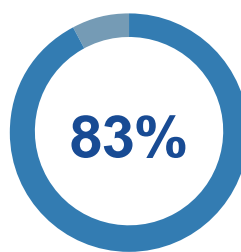

Exhibitor Feedback

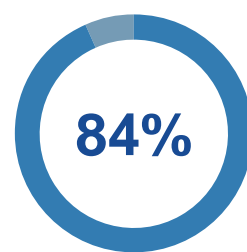

of exhibitors were satisfied with their **overall Experience** at cippe

of exhibitors are satisfied with cippe's levels of **professionalism**

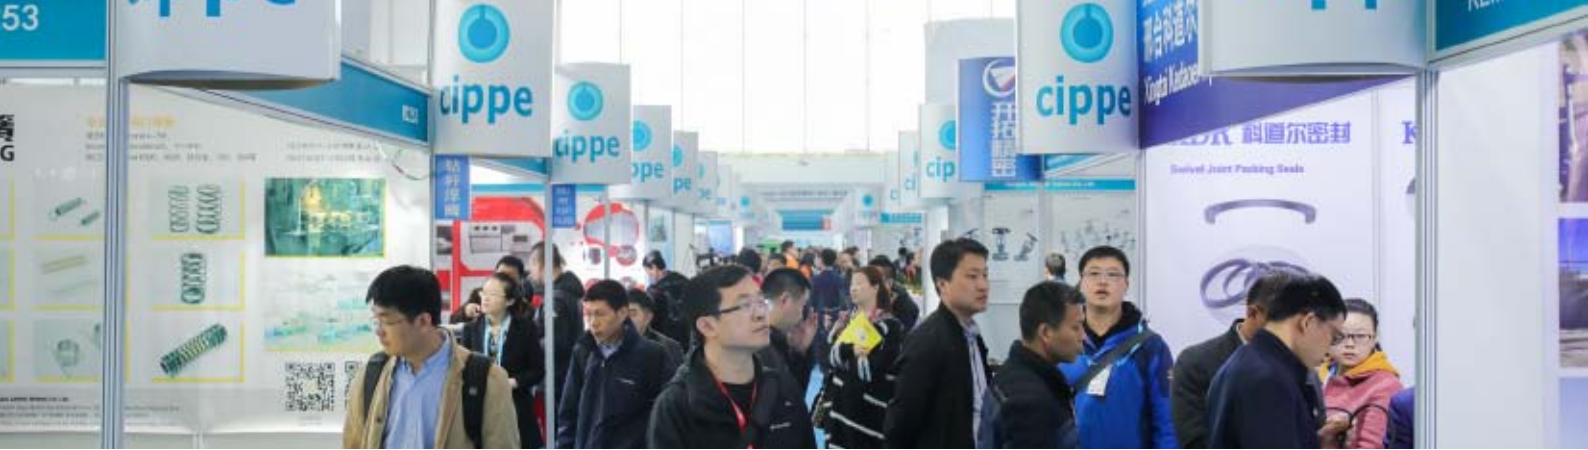

of exhibitors are satisfied with the **quality and quantity of visitor**

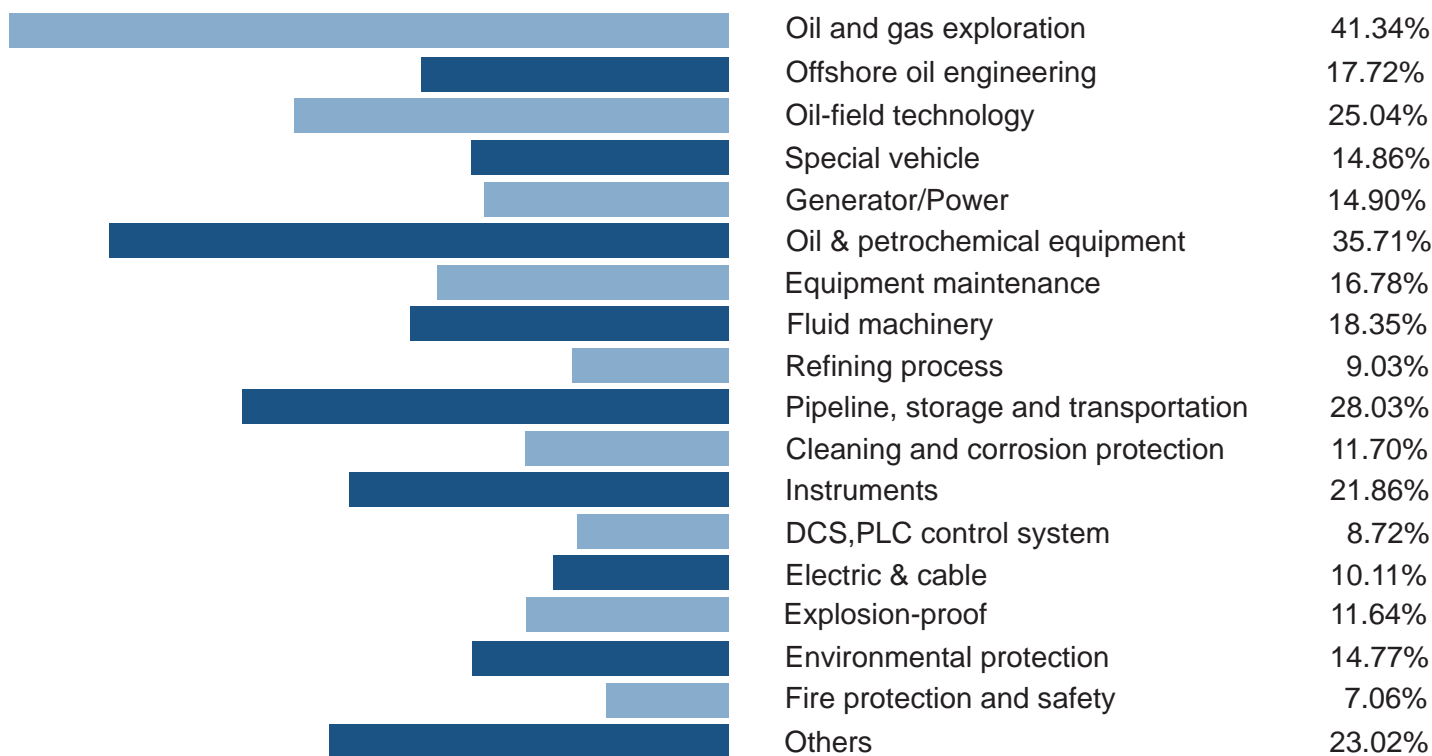

rated **marketing support** to exhibitors Effectively

There were 120,000 visitors from 65 countries and regions and 400 delegations from home and abroad visited cippe2019, for example, the purchasing groups organized by China National Petroleum Corporation (CNPC), China Petrochemical Corporation (Sinopec Group), China National Offshore Oil Corporation (CNOOC) and Beijing Petrochemical Engineering Co.,Ltd. etc., participated in the exhibition.

CNPC Petroleum Equipment Pavilion

National Pavilion

Purchase Pavilion

Thanks to our 400+ purchasing pavilions, organized by China Petroleum Pipeline Material and Equipment Company, China Petroleum & Chemical Corporation, China Huangqiu Contracting & Engineering Company, CNPC Bohai Drilling Engineering Company and CNOOC Oilfield Technology Department, etc. and International Purchasing Pavilion (Above Listed from L to R), to visit cippe2019.

Global Buyers Invitation Programme & Business Matchmaking

Since 2000, cippe has launched a Global Buyers Invitation Programme to attract professional purchasers from the major oil producing regions around the world. This year, the organizer has successively invited the professional buyers from Russia, United States, Germany, Canada, United Kingdom, Japan, South Korea, UAE and other countries. Furthermore, the organizer also provides the customized invitation service for exhibitors as required and organized the Business Matchmaking on-site.

During the Business Matchmaking, three largest oil companies of China, CNPC, SINOPEC and CNOOC held the Procurement Demand Conference simultaneously as well.

Embassy (Oil & Gas) Promotion Conference

The embassy of Britain, UAE, Canada, Greek, Turkey, Bahrain, Benin, Malaysia, Australia, Philippines, Mexico, Indonesia, Oman, Brazil and Italy in China have participated in cippe2019 Embassy (Oil & Gas) Promotion conference.

The ambassadors, commercial counselors and representatives introduced the development of petroleum and natural gas on behalf of their respective countries. Simultaneously, the major oil giants, such as, Statoil ASA, DET NORSKE VERITAS, Basra Oil Company (BOC), Missan Oil Company (MOC) and Neftegaz Ukrainy were invited and took part in.

The 11th International Petroleum & Natural Gas Summit

In order to promote the petroleum and petrochemical upgrading and provide the corresponding solutions, cippe organized the industry experts and entrepreneurs to hold more than 100 conferences, high-end forums and technical seminars during the exhibition.

*A New Milestone for Zhenwei Beijing,
A New Start for cippe!*

26-28 MARCH 2020

NCIEC BEIJING, CHINA

A New Milestone for Zhenwei Beijing and A New Start for cippe!

The cippe organizer, Zhenwei Exhibitions Beijing, has removed to Zhenwei Exhibitions Mansion, the new independent office located in Beijing Yizhuang Economic Development Zone and show team will bring cippe to another new milestone in the better environment.

One More Exhibiting Hall

cippe will have one more exhibiting hall of E4 in 2020, which means a larger platform and more exhibits from petroleum and petrochemical industry will be presented in front of the participants.

The 20th Anniversary of cippe

It will be the 20th anniversary for cippe, which is a landmark in the development of exhibition. Rest assured, there are a lot of new concurrent events and exciting activities to look forward to.

The Same cippe, The Different Experience
