Welcome Message by H.E. Natasa Pilides
Ministry of Energy, Commerce and Industry, Republic of Cyprus

Cyprus is fully committed to transitioning to a green, circular economy, leveraging on sustainability and the use of renewable energy sources to achieve long-term sustainable growth.

Regional partnerships are key to achieving our mission, since it is only through collaboration with our neighbors and partners that we can lift Cyprus's energy isolation, make the best possible use of our natural resources in a sustainable and responsible way, while also investing in skills and technologies of the future which can increase the competitiveness and attractiveness of our region.

Renewable energy production and storage, the liberalization of our energy market, leveraging on technology to develop hydrogen solutions, as well as the effective use of natural gas as a steppingstone to complete decarbonization, are all cornerstones of our energy strategy. I am confident that we can build on the already excellent collaboration with existing and future partners in order to achieve our mutual objectives.

I hope to welcome you all in person in November 2021 when Cyprus will host the Eastern Mediterranean Conference & Exhibition in Nicosia.

Natasha Pilides

Minister of Energy, Commerce and Industry, Republic of Cyprus

CONFIRMED SPEAKERS INCLUDE – PLEASE NOTE THAT SPEAKERS WILL BE ADDED TO THE AGENDA AND ATTACHED TO SESSIONS AS THE PROGRAMME DEVELOPS.

- | | | |
|---|--|---|
| <ul style="list-style-type: none"> • H.E. Natasa, Pilides, Minister of Energy, Commerce & Industry, Republic of Cyprus • H.E. Mrs. Karine Elharrar, Minister of Energy, Republic of Israel • H.E. Costas Skrekas, Minister of the Environment and Energy, Hellenic Republic of Greece • H.E. Zafer Milhem, Chairman of the Palestinian Energy & Natural Resources Authority • H.E. Costas Kadis, Minister, Ministry of Agriculture, Rural Development and Environment of Cyprus, Republic of Cyprus • Professor Toulia Onoufriou, President of CHC & Head of EMERGE CoE – <i>Cyprus University of Technology</i> • Christodoulos Angastiniotis, President, Cyprus Chamber of Commerce • Demetris Fessas, General Manager, CHC (TBC) • Dr. Andreas Poulikkas, Chairman, Cyprus Energy Regulatory Authority • George Petrou, Chair – Energy Committee & Immediate Past Chair, Cyprus Employers & Industrialists Federation • Amin Amin, Chief Operating Officer, Belsim Engineering USA, Inc. • Peter Stevenson, Eastern Mediterranean Editor, MEES • Ahmed Shaker, Completion Engineer, Belayim Petroleum Company • Dr Ioannis Kasoulides, Chairman of the Strategic Council, Euroasia Interconnector • Mr. George Polychroniou, Executive Director, Strategy, Development and Regulatory Affairs, DEPA • Giuseppe Marino, President, Italy-Cyprus Chamber of Commerce • Simeon Kassianides, Chairman, DEFA • Hassan Salah, Principle Offshore Engineering Structures, ENPPI • Mohamed Gaber, Pipeline & Piping Process Design Engineer, Petrojet • Andreas Pentaliotis, Head of Operations and Projects, CYGAS / DEFA | <ul style="list-style-type: none"> • Nick Fulford, Global Head Carbon, Gaffney • John Charalambides, EVP-MENA, Connector Subsea Solutions • Michalis Koutinas, Assistant Professor, Cyprus University of Technology • Mohamed Ahmed Taher, Reservoir Engineering Section Head, Rashpetco • George Campanellas, CEO, Cyprus Investment & Promotion Agency • Ahmed Samy, Completion & Workover Sector Manager, Petrobel • Gianpaolo Della Vendova, Southern Europe & Mediterranean, Data & Digital Management, Lloyds Register • Dr Lupeau, Multiphase Metering and Measurement Systems Product Champion, OneSubsea, Schlumberger • Waleed Hagag, Technical Support Assistant General Manager & Information Security Researcher, Information Technology Department, Gasco • Mohamed Anwar Abdel-Ghany, Assistant General Manager Reservoir Engineering, Belayim • Alessandro Marini, Director, OW MENA Ltd • David Cook, Business Development Manager, Subsea, Mediterranean & Caspian, TechnipFMC • Michele Capobianco, Managing Director, CENERGY srl • Elfride Covarrubias Villegas, Market Manager Italy & East Med - Energy Systems, DNV Maritime Italy S.r.l • Steve Hall, Chair, SUT International Committee • Terry Wood, SURF Engineering Manager, Worley • Nicos Nicolaides, Mayor, Limassol Municipality, Limassol • Professor Eleni Hadjicostantinou, FORS, Dean, School of Business & Law, Frederick University & Study Steering Committee Member • Carol Bailey, Head of Research, Dept of Maritime Transport & Commerce (DMTC), Frederick University | <ul style="list-style-type: none"> • Jarno Dakhurst, Consultant Energy & Biobased Economy, NEN • Dr Michalis Makrominas, DMTC Faculty, Study Economic Expert • Hossam El Masry, Petrobel • Nicolas Barras, Aker Solutions • Marinos Constantinou, Boston Consulting Group • Rebecca Sangster-Kelly, Principal Consultant, Studium Consulting • H.E. - George Petrou, Chair – Energy Committee & Immediate Past Chair, Cyprus Employers & Industrialists Federation

13.00-14.00 **Networking Luncheon – The Venue is then divided into three streams**

Doing Business in Cyprus & the Eastern Mediterranean

14.00-14.50 **Key Findings of the Blue Limassol Environmental Risk Assessment Study**

- Professor Eleni Hadjiconstantinou, FORS. Dean, School of Business & Law, Frederick University
- Carol Bailey, Head of Research, Dept of Maritime Transport & Commerce (DMTC), Frederick University
- Dr Angelos Menelaou, Head of Dept of Maritime Transport & Commerce (DMTC), Frederick University
- Dr Demetris Kletou, Lecturer, Director of Marine Environmental Research (MER) Labs Ltd, Study Environmental Expert
- Dr Michalis Makrominas, Assistant Professor, Dept of Maritime Transport & Commerce (DMTC), Frederick University
- A representative from the Cyprus Marine & Maritime Institute

14.50-15.10 **Cyprus Chamber of Commerce & Industry Presentation -**

- Christodoulos Angastiniotis, President, Cyprus Chamber of Commerce

15.10-15.30 **The Outlook for Bilateral Energy Partnerships Between Italy & Cyprus**

- H.E. Andrea Cavallari, Ambassador of the Republic of Italy to the Republic of Cyprus
- Dr Claudio Pasqualucci, Manager, Italian Trade Agency

15.30-16.00 **Networking & Coffee Break / Press Briefing**

16.00-16.20 **Energy Stakeholder Engagement to Pollution Sensitivity**

- Alessandro Marini, Director, OW MENA Ltd

16.20-16.40 **Standardising Industry Practice to Ensure Compliance**

- Jarno Dakhurst, Consultant Energy & Biobased Economy, NEN

16.40-17.00 **Energy Stakeholder Engagement to Pollution Sensitivity**

- Alessandro Marini, Director, OW MENA Ltd

17.20-17.40 **Engaging Stakeholders – The Importance of a Sound Communications Strategy**

- Rebecca Sangster-Kelly, Principle Consultant, Studium Consulting

13.00-14.00 **Networking Luncheon – The Venue is then divided into three streams**

HSE, Crisis & Environmental Best Practice in Offshore Operations and Out of Region Offshore Global Best Practice Case Studies

14.00-14.20 **Keynote Operator Presentation – Developing a Winning Approach to the Application of the EU Safety Directive**

14.20-15.00 **Panel Debate: Assessing and Overcoming the Medium to Long Term Risk Factors of Offshore Operations in the Eastern Mediterranean**

15.00-15.30 **Promoting Regional Collaboration on Emergency Response Fingerprinting as an Environmental Monitoring Approach**

15.30-16.00 **Networking & Coffee Break**

16.20-16.40 **Analysing Human Error & Analysis in Oil & Gas Field Remediation**

16.20-16.40 **Hydrocarbons and Crude Oil Markers Assessment in Deep Sediments of Pertusillo Lake (Basilicata, Italy): The Fingerprinting as Environmental Monitoring Approach**

- Tiziana Perri, Senior Researcher, FEEM

16.40-17.00 **A Hybrid Ozone-Biological Process for the Treatment of Drilling Waste: Technology and Microbial Consortium Development**

- Michalis Koutinas, Assistant Professor, Cyprus University of Technology

17.00-17.20 **Out of Region Case Study: Offshore Best Practice from the North Sea – What Can the Eastern Med Learn from a Mature Basin?**

17.20-17.30 **Chair's Closing Remarks**

18.00-19.30 **Evening Networking Reception**

13.00-14.00 **Networking Luncheon - The Venue is then divided into three streams**

The Shipping Outlook & Developing the Offshore Supply Chain in the Eastern Mediterranean

14.00-14.30 **Keynote: Offshore Supply Chain Solutions**

Session Reserved for DP World

15.00-15.30 **The dynamic role of LNG as marine fuel in the arena of energy transition in East Me**

- Mr. George Polychroniou, Executive Director, Strategy, Development and Regulatory Affairs, DEPA

15.30-16.00 **Networking & Coffee Break**

16.00-16.20 **GASVESSEL, a Novel Solution for CNG Transport at Sea**

- Michele Capobianco, Managing Director, CENERGY srl

16.20-16.40 **Developing Cyprus as a Hub for region Bunkering**

17.00-17.20 **Focusing on Supply Chain: Developing Local Capability**

17.20-17.40 **Shipping Analyst Briefing: The Outlook for the Regional Maritime Industry**

17.40 **Chair's Closing Remarks**

18.00-19.30 **Evening Networking Reception**

17.30-17.0 Chair's Closing Remarks		
18.00-19.30 EMC 2021 Opening Evening Networking Reception		
DAY TWO – HALL A SUPPORTING THE SUSTAINABLE ENERGY TRANSITION THE CLEAN ENERGY TRANSITION OUTLOOK FOR THE REGION	DAY TWO– HALL A UTILISING DIGITAL TECHNOLOGY TO IMPROVE EFFICIENCY IN SUSTAINABLE ENERGY OPERATIONS	DAY THREE – HALL A DEVELOPING EAST MED GAS RESOURCES; TECHNOLOGY & PROJECT DELIVERY
08.30-09.20 Delegate Registration & Pre-Conference Coffee Networking 09.20-09.30 Chair's Opening Remarks <u>PLENARY MINISTERIAL KEYNOTE</u> 09.30-10.00 Keynote Welcome Address from the Minister of Environment - H.E. Costas Kadis, Minister, Ministry of Agriculture, Rural Development and Environment of Cyprus, Republic of Cyprus <u>Developing Cyprus as an Energy Hub</u> 10.00-10.20 The Regulator View: The Cyprus Future Energy Landscape -Dr. Andreas Poulikkas, Chairman, Cyprus Energy Regulatory Authority 10.20-10.40 Keynote: DEFA – Delivering a Cleaner Energy Future for Cyprus -Simeon Kassianides, Chairman, DEFA 10.40-11.00 The Euroasia Interconnector – Connecting Power Networks of the Eastern Mediterranean -Dr Ioannis Kasoulides, Chairman of the Strategic Council, Euroasia Interconnector 11.00-11.20 Networking & Coffee Break 11.20-11.40 The CYGAS Project Developing an LNG Infrastructure in Cyprus - Andreas Pentaliotis, Head of Operations and Projects, CYGAS / DEFA 11.40-12.00 Pre-Lunch Panel Debate: Developing Cyprus as an Energy Hub for the Wider Region - Simeon Kassianides, Chairman, DEFA - Dr. Andreas Poulikkas, Chairman, Cyprus Energy Regulatory Authority - Professor Toulia Onoufriou, President of CHC & Head of EMERGE CoE – Cyprus University of Technology	Stream Starts at 10.00 Please Note – Confirmed speakers are currently being attributed to sessions. <u>Digitalisation of Oil & Gas Assets to Improve Efficiency</u> 10.00-10.10 Chair's Opening Remarks 10.10-10.30 Opening Keynote: The CIO View of the Eastern Med 10.30-11.00 Enabling Digitalization Through Edge and Cloud Computing in the O&G Industry 11.00-11.30 Networking & Coffee Break 11.30-12.00 Data Validation and Reconciliation Technology Applications in Upstream Production Systems - Amin Amin, Chief Operating Officer, Belsim Engineering USA, Inc 12.00-12.20 Machine Learning & Mediterranean Metocean Data -Hassan Salah, Principle Offshore Engineering Structures, ENPPI 12.20-12.40 Addressing Advances Towards the Lean Digital Field of the Future -Dem Demetriou, Director, Atherion 12.40-13.00 Holistic Proactive Management of Energy Infrastructure: Digital Transformation of the Vassiliko Energy Centre	Stream Starts at 10.00 Please Note – Confirmed speakers are currently being attributed to sessions. <u>Technology & Project Delivery</u> 10.00-10.10 Chair's Opening Remarks -Yannis Bassias, Former Chairman - HHRM (SFC) 10.10-10.30 Assessing the Key Technical Challenges Facing Regional Operators (Title TBC) - David Cook, Business Development Manager, Subsea, Mediterranean & Caspian, TechnipFMC 10.30-11.00 Natural Gas E&P Technical Case Study –Energiean Co-Presentation of the Karish Project. - Senior Representative from Energiean 11.30-12.00 Networking & Coffee Break 12.00-12.20 Developing Offshore Projects – The Offshore View from Egypt - Dr Ahmed Sultan, Petrophysics Department Manager, Tharwa Petroleum 12.20-12.40 Supporting Offshore Projects with Advanced Subsea Robotic Solutions -Senem Uygun, Ocean Infinity

-Dr Ioannis Kasoulides, Chairman of the Strategic Council, Euroasia Interconnector

Assessing the Outlook for a Clean Energy Transition in the Eastern Mediterranean

12.00-12.20 **Stop. Collaborate and listen. Exploring the 5 Areas for Cross-Sector Integration to Advance our Energy Systems**

- Gianpaolo Della Vendova, Southern Europe & Mediterranean, Data & Digital Management, Lloyds Register

12.20-12.40 **Energy Transition Outlook: A Global and Regional Forecast to 2050 and its Implications for the Oil and Gas Industry**

12.40-13.00 **Monetising Sustainable Natural Gas Assets in the Eastern Mediterranean**

13.00-14.00 **Networking Luncheon**

Diversifying the Energy Mix – The Outlook For Renewables & European-Mediterranean Energy Interconnectivity

14.00-14.30 **Opening Keynote: Developing an Integrated Energy Basin – Lessons Learned from the Wider Mediterranean**

-Ryan Pereira, Global Director, GaffneyCline

14.30-15.00 **Panel Debate: As the East Med Energy Frontier Develops. what form will Energy Diversification take?**

- Robert Salmon, CEO, Areani Resources

15.00-15.30 **Offshore Considerations of Interconnector & Floating Wind Production in the Eastern Mediterranean**

15.30-16.00 **Networking & Coffee Break & Press Briefing**

16.00-16.30 **Assessing Offshore Wind Prospects and the Future Role of Renewable Energies in the Eastern Mediterranean**

-Dr Constantine Michailides, EMERGE, Cyprus University of Technology

16.30-17.00 **Developing Gas Interconnectivity in the Eastern Med Basin**

- Senior Representative DEPA International

17.00-17.30 **Closing Panel Debate: Is the East Med Interconnector Feasible & If so What Does This Mean for Eurasian Supply Demand Dynamics?**

- Robert Salmon, CEO, Areani Resources

Needs more speakers

17.30-17.40 **Chair's Closing Remarks**

18.00-19.30 **Evening Networking Reception TBC**

-Professor Toulia Onoufriou, President of CHC & Head of EMERGE CoE

- Cyprus University of Technology

13.00-14.00 **Networking Luncheon**

14.00-14.20 **Digital Twin technology in Upstream Operations**

-Marinos Constantinou, Boston Consulting Group

14.20-14.40 **Impact of Information Security Awareness on Oil and Gas Sector**

-Waleed Hagag, Technical Support Assistant General Manager & Information Security Researcher, Information Technology Department, Gasco

14.40-15.00 **Reserved Session**

15.00-15.30 **Taking Hydrates Management to the Digital Age**

-Dr Lupeau, Multiphase Metering and Measurement Systems Product Champion, OneSubsea, Schlumberger

15.30-16.00 **Networking & Coffee Break**

16.00-16.20 **The Enabling of Improved Decisions in Mature Gas Field Operations with the Support of Hybrid Physics Based and AI Approaches**

- Pejman Shoeibi Omrani, Senior Scientist, TNO

16.20-16.40 **New Eyes in the Ocean – the Next Generation of Subsea Technology (SUT)**

-Steve Hall, Chair, SUT International Committee

16.40-17.00 **Modelling Rheological Behaviours of Drilling Fluid from Non Equilibrium Thermodynamics Perspectives**

- Pavlos Stephanou, Assistant Professor, Dept. of Chemical Engineering, Cyprus University of Technology

17.00-17.30 **Session Reserved for Leading Operator**

17.30-17.40 **Chair's Closing Remarks**

18.00-19.30 **Evening Networking Reception TBC**

12.40-13.00 **Subsea Compression = Low Carbon Footprint**

- Nicolas Barras, Aker Solutions

13.00-14.00 **Networking Luncheon**

14.00-14.20 **Field Case Study – Integrated Study of Optimising Complex Deep-Water Gas Field Developments**

-Mohamed Ahmed Taher, Reservoir Engineering Section Head, Rashpetco

14.30-15.00 **OneSubsea - Multiphase Compression Technology – a Key Enabler for Long Tieback Gas Fields**

-Jostein Hopen, Sales Manager – Subsea Processing Systems, OneSubsea, a Schlumberger company

15.00-15.30 **Engineering Low Carbon Offshore Operations with Advanced Robotics and Remote Technologies**

-John Charalambides, EVP-MENA, Connector Subsea Solutions

15.30-16.00 **Networking & Coffee Break**

16.00-16.30 **Developing Early Gas Production Facilities (EPF)**

- Mohamed Gaber, Pipeline & Piping Process Design Engineer, Petrojet

16.30-17.00 **Diving to the Depths of Sustainable ROV Operations**

- Senior Representative, Saga Subsea

-Senior Representative Fameline Energy

17.00-17.30 **Unlocking Sour Gas Fields in the Eastern Mediterranean and Minimising Emissions**

- Brad Healey, Process Engineer, OGC Energy

17.30-17.40 **Chair's Closing Remarks**

18.00-19.30 **Evening Networking Reception TBC**

WHY THE EAST MEDITERRANEAN? ACCESS ONE OF THE FASTEST GROWING ENERGY MARKETS IN THE WORLD

EMC is held under the auspices of the Ministry of Energy, Commerce & Industry of Cyprus and has the support of CHC. It brings together buyers, policy-makers and innovators from the Eastern Mediterranean energy sector. In today's eco-conscious world, cleaner energy sources are becoming the preferred choice for most markets with natural gas and renewables at the forefront of this new world. And at the same time, there is a drive towards smarter solutions, process digitalization and energy efficiency so that we can conserve resources and the environment.

SUBMIT YOUR ABSTRACT BY 31ST SEPTEMBER 2021: Present your paper at EMC 2021 by showcasing the latest commercial and technical strategies, solutions and technologies that can help the Eastern Mediterranean realize its full potential. This is a unique opportunity to help both form the debate and boost your brand. If you are interested to submit a paper, we would welcome your thoughts and insights!

INTERESTED TO SPEAK AT EMC?

- **ABSTRACT LENGTH:** Minimum 200, maximum 400 words in good English, no pictures/graphs, no trade names.
- **ABSTRACT CONTENT:** Major new contributions in terms of knowledge or experience in the oil & gas industry, possible applications of the information provided, results and major conclusions, any technical, economic and innovation contribution.
